A message to the businesses of the Fall River Industrial and Commerce Park.

For about three years a small group of business owners in the park have been working vigorously to improve all aspects of the park. We started as a small task force to 'beautify' the park, and later became involved in all aspects of the park; including marketing, ascetics, political and overall representation of your needs to the city and community. This group has now assumed the responsibility as the Board of the Fall River Industrial Park Association. This association is small, entrepreneurial and exists for the benefit of our common needs; as well as a representation to the city and community.

We started collecting dues a few years back to cover some minor expenses of the park. The dues rate is \$500 per business [owners or tenants]. We appreciate your attention to this payment and understand that during these difficult times, even this fee is a sacrifice. We also need your time and effort. We have a committed hands-on group of about 10 people who meet monthly to tackle the projects ahead of us.

Here is a short list of the activities completed to-date: Park Sign, Bike Paths, adult entertainment zone avoidance, Park Clean-up, street painting, City councilor tours and visits, new website, new company of the month coverage, Community campaign...just to name a few.

Activities to complete: New street signs, Mayoral visit, continued city councilor visits, and much more.

We would also like to thank our partners; Fall River Chamber of Commerce and the Greater Fall River Development Corp. Both organizations have given us a tremendous amount of support and information.

If you are not receiving emails or would like to change the address you currently receive emails to, please let us know at todd@blountfinefoods.com or SMedeiros@HatchScience.com .

ABOUT FRIPA:

We have 4 key areas: Keeping the park professional & attractive; political Involvement; community outreach & communication; AND general business. Membership in FRIPA is a requirement of the park covenant and dues are required to be paid. In conclusion FRIPA is your one stop involvement in the park and the city AND is insurance that someone is looking out for you business investments.

Thanks for your time, money and commitment,

Todd Blount, Blount Fine Foods
